**IMPORTANT SERVICE INSTRUCTIONS**

To properly apply the correct filter for your vehicle, you must match the ENGINE CODE character from your Vehicle Identification Number (VIN) with the VIN Number listed in this application guide. The VIN Number can be found on the driver's side of the dashboard, near the windshield.

\*Filter performance alternatives are available, see page 9 for options.

**WE RAISED THE STANDARD  
IN FILTER PERFORMANCE.**

# **SAY HELLO TO DONALDSON BLUE.**

You'll recognize the ultimate in heavy-duty engine filtration solutions. They're Donaldson Blue™. With industry-leading technologies like Ultra-Web® media for air filters and Synteq XP™ media for fuel, you can trust Donaldson Blue to clean in the harshest environments. *Blue Proof* your equipment with proven performance that pays off.

**Donaldson**  
**BLUE™**

# Global Presence with a Local Touch

At Donaldson, we've built a strong, flexible and responsive distribution network to serve our customers around the world.

**Localized Manufacturing** – It starts with 30+ manufacturing locations around the world – producing most filters in the regions where they're used.

**Primary Distribution Centers** – Filters then move to our regional warehouses and distribution center hubs – meaning the filters you need are never far away.

**Logistics** – We work with a network of transportation and logistics companies, consolidators and cross-docking facilities to deliver products to distribution partners quickly and efficiently.

**Distribution Partners** – We've built one of the largest, strongest and most responsive distributor networks in the filter industry – meaning you can find the filters and support you need, nearly anywhere in the world.
